BAPTIST CHILDREN'S HOMES REPORT

(Marion Parker)

North Carolina Baptists, in child care work for the past eighty-one years, continue to build up foundations already laid. A strong program of group care is being strengthened at Mills Home, Kennedy Home, and Odum Home. Progress is being made in working with emotionally disturbed children at Greer Home in Chapel Hill. A demonstration Child Development Program for pre-school children, conducted on the campus at Mills Home, has had an excellent first year of operation and is being studied by churches throughout the state as they prepare to provide similar services. Prospects for a children's home in the western part of the state are encouraging. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

The foster home program, in which children live in Christian foster homes, serve children of all ages and is of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances of life. Couples without children of their own and with an abundance of love find this a challenging and rewarding opportunity of Christian service.

The Children's Homes and their programs of service are supported by an increasing income from the Co-operative Program, by a generous Thanksgiving offering, by special gifts and designations, and through estate planning and the making of Christian wills which include this work.

The needs and the opportunities in this field of service are tremendous and it is hoped that all our churches will increase their regular giving through the Co-operative Program, encourage a generous Thanksgiving offering, and that our people will be encouraged to consider seriously God's claims upon the property He has trusted to them as they make Christian wills which include His work.

BAPTIST HOSPITAL REPORT

(George Gouge)

Our Baptist Hospital and Medical School has many and varied purposes. They serve as a center of healing for body, mind, and spirit; a center of training of medical personnel and Christian workers; and a center of scientific research for the advancement of medical care.

Many lives have been prolonged and much suffering has been eleminated through medical research. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when illness comes. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These and other important services are the work of our Medical Center in Winston Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same thing has been happening this year. Of course, the Hospital cannot continue to operate this way. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

Won't you give serious consideration to the Hospital's vital ministry and its urgent need?

COOPERATIVE PROGRAM REPORT

(Irvin H. Thompson)

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches

giving through the Cooperative Program. Over one-third of our churches did not share in world missions through the Cooperative Program. Let us encourage these churches to join us as we seek to carry out the Great Commission, as found in Matthew 28:19-20.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

ANNUITY BOARD REPORT

(William H. Puckett, Jr.)

The Annuity Board of the Southern Baptist Convention sponsors three programs for the assistance protection of ministers and church staff members.

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary and is 10 per cent of any amount up to $4,000 a year. The minister's church is urged to pay the total cost. There are eleven churches in our Association participating in this plan.

The Health Benefit Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis.

The Life Benefit Plan seeks to meet the need for supplemental life protection for pastors, church staff, and denominational employees. The amount of protection is based on salary and ranges from $10,000 to $30,000 with maximum protection to age 45.

All churches in the Association are urged to examine these plans and participate in each plan as fully as possible for its minister and church staff.

Rev. Guy Cain, 301 Hillsboro Street, Raleigh, N. C. is our state Annuity Board representative.

CHRISTIAN LITERATURE REPORT

(Eugene W. Land)

The more of the proper kind of factual information people have about the Christian life, duty, the stewardship the better equipped and qualified they are to live in a manner profitable to God and to their fellowmen.

"Give attention to reading," Paul wrote to Timothy. We have more to read than ever before. Much printed matter is trash from which Christians must turn aside. The printed page is a power either for good or evil. The very words we read are seeds that will bring their harvest of good or bad and will leave an impression on our minds.

The Bible is "the Book of Books," the "Word of God," the "sword of the Spirit," "the Living Word." It must be the main guide for every person who seeks the truth. It is the FINAL AUTHORITY for the TRUE Baptist. It should hold preeminence in the daily reading and study of all Christians.

Along with the Bible there are Christian books, magazines, papers and periodicals that are of great help. High among these is the "Biblical Recorder," one of the finest weekly papers of its type to be found anywhere. It should be in the home of every Baptist family in North Carolian. It keeps us abreast of current happenings in the religious world and keeps us up-to-date and well informed on our Baptist work here in North Carolina and

in other areas of our world-wide program in which we seek to carry out the work of our Lord. In a day when so many are either non-informed or mis-informed about our Baptist work at home and abroad—a day when a lost world is waiting to hear the message of the Saviour—we must get before our people the very best information available.

Much that is being written today contains invective, intort, and half truth attacking our Baptist program in general and the Co-operative Program of sharing in all the world in all the work in particular. The best way to offset the bad is to see that our people have available the good. Christians need to read Christian literature!

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

(W. M. Helms)

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Association.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through our share of the Cooperative Program. The large majority, at least 85%, have benefited directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

EVANGELISM REPORT

(H. D. Harris)

The churches in the Montgomery Association reported 162 baptisms in 1963, 139 baptisms in 1964, 104 in 1965, and 84 in 1966. This shows a decline in baptisms each year. Why the decline?

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been

the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer, but it seems to elude him. Yes, we do have the answer. We must demonstrate Christ's love and power.

CHRISTIAN EDUCATION REPORT

(Homer Hunsucker)

Enrollment

There are in our seven North Carolina Baptist Colleges approximately 14,000 students.

Training Of Church-Related Vocational Workers

As of now, approximately 600 young men and women who expect to give their lives to one of the Christian vocations are enrolled in the North Carolina Baptist Colleges. These include: pastors, chaplains, directors of religious education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others.

Cooperative Program Funds Budget For North Carolina Baptist Colleges

For the year 1966, the seven North Carolina Baptist colleges expect to receive $1,382,000 from the regular Cooperative Program budget, and a minimum of $120,000 for the overage. For 1966 the Cooperative Program income for the seven Baptist colleges represents an endowment in excess of $25,000,000. **This guaranteed annual income is an important factor in maintaining accreditation.** An advance for the Cooperative Program is always an advance for Christian higher education.

Christian Education Day

We are grateful that more churches each year are participating in the observance of Christian Education Day, which is always on Father's Day, in June. There are two objectives in observing Christian Education Day: to afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist colleges to the demonination; to provide an opportunity to make an offering over and above the regular Cooperative Program giving. This Offering now amounts to more than $100,000 and could very easily go to $200,000 with the cooperation of our Baptist churches. We urge every church to observe Christian Education Day in 1967.

BAPTIST FOUNDATION REPORT

(Marion Parker)

"When you need a will it is too late to make one. MAKE A CHRISTIAN WILL NOW."

This really states the purpose of our North Carolina Baptist Foundation. It is an incorporated agency of our Baptist State Convention of North Carolina, set up for the purpose of procuring endowment funds and administering such funds for all institutions and agencies owned and controlled by the Convention. These funds are procured, safeguarded, and invested along with other trust funds. They are disbursed according to the wishes of the donor long after the donor has gone on to Heaven.

One's Christian stewardship (management of God's property) continues beyond one's earthly lifetime. A Christian will is a part of one's stewardship responsibility to God. How will the money God has trusted to you be handled after your death? You can make sure it will continue to be used in keeping with God's will.

The Baptist Foundation helps by explaining its work, by furnishing information to individuals and churches, by meeting with you and your attorney upon your request in connection with preparation of legal documents when the Foundation is involved. It supplies speakers to help inform our people. It invests funds, safeguards funds, manages trust funds.

After your death you can continue to serve and witness in the service of our Lord through a Christian will. Let the Baptist Foundation help you plan it now.

AMERICAN BIBLE SOCIETY REPORT

(Marion Parker)

If the people of the world are to know the Saviour, the only hope of men and nations, they must have the Bible. Each must have the Bible in his own language. But, in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the main tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay after he must leave. It can keep on speaking to a person's heart.

The American Bible Society, long an active partner of Baptists, helps translate the Bible, publishes it without note or comment, distributes it without profit and usually below cost. For the blind it supplies Scriptures in Braille and other raised-letter systems, Talking Bible records, and tape recordings.

The current goal of the American Bible Society is to distribute at least 75 million volumes of the Scriptures each year. Long range goals are:

A Bible in every Christian home.
A Testament in every Christian's hand.
A Scripture portion for every reader.
Supplies of Scriptures For Christians to share.

Every Christian and every church can share by sending a gift to the American Bible Society. You may send it through your Baptist State Convention office (Box 9523, Raleigh, N. C. 27603) and mark it for "American Bible Society."

SUNDAY SCHOOL REPORT

(Herbert C. Green)

During the year 1965-66 three associational Sunday School rallies were held in the Montgomery Association. Also, one officers' training meeting was held last fall.

During the year the secretary of the associational Sunday School did some research to determine the enrollment trend in the past five years. This study showed that the average annual enrollment in the Sunday Schools in Montgomery County had decreased fourteen per cent from 1960 through 1965. This happened in spite of the fact that the population of the county is on the increase.

The Baptist State Convention of North Carolina has set as our goal a three percent annual increase in the Sunday School enrollment for the next five years.

This situation should be of deep concern to all Baptist churches in the association. May it concern us so deeply that we will immediately reverse this trend.

TRAINING UNION REPORT

(James Johnson)

Training our people in what a church is, what it believes, and what it does is a continuing need and a continuing problem. New Christians need to be knowing and growing. Older Christians ought to grow in depth and maturity in Christ-likeness. Leaders who know how are leaders more effective.

The Training Union (for want of a better name) is designed to do all this. Out of approximately 10½ million members of Southern Baptist churches there were last year about 2½ million members of the Training Union program of the churches. In North Carolina with 970 thousand members of our Baptist churches we had last year approximately 174½ thousand Training Union members. Here in Montgomery Association with 28 churches and a membership of 4½ thousand, we have Training Union in 13 churches and a total enrollment of about 700.

VACATION BIBLE SCHOOL REPORT

One of the greatest opportunities for winning boys and girls to the Saviour is in our summer Vacation Bible Schools. For a week or two weeks a concentrated effort is made to teach the Bible in an atmosphere conducive to learning pleasantly. Nine of our 28 churches reported a Vacation Bible School this past summer.

WOMANS MISSIONARY UNION REPORT

(Mrs. H. J. Scarborough)

Woman's Missionary Union is made up of the Woman's Missionary Society, Young Woman's Auxiliary, Girl's Auxiliary, and Sunbeam Band. The Union seeks to promote Christian Missions through Mission study, prayer, community missions, and stewardship.

Through Mission study, the W.M.U. seeks to be aware of the many needs for prayer for God's work at home and abroad. In August, our Prayer Chairman, Mrs. J. M. Dismukes, led the women of the Association in a most inspiring Prayer Retreat at the First Baptist Church in Troy.

Through Community Missions, women of W.M.S. along with her foster organizations seek to follow Jesus' example of going about doing good by ministering both to the physical and spiritual needs of people.

The stewardship of time, money, and personality is stressed from the youngest children through the women of W.M.S.

The annual meeting of Montgomery Associational W.M.U. was held at Biscoe Baptist Church in April. Miss Virginia Highfill, N. C. missionary on furlough from Japan, told us of her experiences on the mission field.

In our Association, there are sixteen Women's Missionary Societies. We would like to urge women and pastors of churches not having a W.M.S. to please study the purpose and plan of W.M.U. and then make your decision about the value of these organizations. If we are truly missionary Baptist, we cannot disagree with the basic aims of Women's Missionary Union.

Through the Youth organizations, many young people are learning how to become Christians and are growing in Christian knowledge and mission education. For Girl's Auxiliary, there was a picnic in May and a "Christmas in August" party in August. The Sunbeams enjoyed a Day Camp in August.

It is the desire of the Montgomery Woman's Missionary Union to help societies and youth organizations come into being during 1966-67. The theme for the year will be "The Church Fulfilling Its Mission Through Education."

BROTHERHOOD REPORT

(J. B. Greene)

Brotherhood work has been slow in the Association this year due to the small number of active groups throughout the churches. Out of the twenty-nine churches in the Association only five have a Brotherhood. In the past the main function of the Brotherhood has been to keep up the church buildings and grounds but in the past year it has come to mean much more than that. The Brotherhood is meant to be a mission arm of the church and we are slowly coming around to this. Programs are designed to stress this emphasis and we seem to be making progress in this direction. I would like for the churches that do not have a Brotherhood to obtain the information for organizing and strongly urge that the men of your church prayerfully consider joining in this mission endeavor.

COOPERATIVE PROGRAM REPORT

(George Gouge)

"What is the Cooperative Program?" How many times have you heard this question asked? Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what the plan is.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad --it is preaching the gospel -- it is healing the sick in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks that rest upon us -- it is all this and much more.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Along with Special Offerings amounting to $2,897,639 we had a total of $8,684,950 for all mission causes. As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go.... preach....teach...." Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

As an association, let us work and pray that our gifts during the coming year may exceed any previous year. Let us strive for 100% cooperation from every church in support of our Cooperative Program.

THE AMERICAN BIBLE SOCIETY

(Eugene W. Land)

The American Bible Society shares the concern for worldwide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year in 1969. The entire program of Bible Society work is founded on these basic principles:

(1) People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

(2) Each person must have the Bible in his own language because it speaks to his heart as no other language can do.

(3) The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave - keep on speaking to a person's heart.

The American Bible Society is a worldwide missionary organization. It is an active partner in Southern Baptist work. It helps missionaries translate the Bible. It publishes the Scriptures without note or comment and distributes them without profit, usually below cost, and often without any charge in cases of special need. For the blind, it supplies Scriptures in Braille and other raised-letter systems, Talking Bible records and tape recordings.

Because the Bible Society serves mission work -- and Southern Baptist missionaries depend on the Society for Scriptures they need for their people -- Southern Baptists believe in the missionary importance of giving to the American Bible Society. In 1966 Southern Baptist churches gave $233,896 to the American Bible Society and ranked first among all denominations. Here are suggestions, based on what many churches are doing, of what your church can do each year:

Smaller churches -- 10 to 60 dollars
Larger churches -- 60 to 300 dollars
Great city churches -- 300 to 600 dollars or more.

Please send your gifts to the Baptist State Office marked for the American Bible Society.

BAPTIST HOSPITAL REPORT

(W. M. Helms)

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as dramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the very fine medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. There are new means of diagnosing our ills, such as the brain scan and the use of sound waves. New drugs are being developed almost daily for combatting disease, including antibiotics and new chemicals. There are new techniques in treating our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years of life.

This is not the work of an institution alone -- it is a cooperative enterprise.It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is ma de available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need -- and even hear a "Well done," for "Inasmuch as ye have done it unto one of the least of these my brethern, ye have done it unto me."

BAPTIST CHILDREN'S HOMES

(Jerry Mabry)

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally distrubed children, convenient to a great medical center where phychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in this way the homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. During the 1967-68 session the Center will serve 70 children and their families in two kindergarden groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are commited to the task of maintaining a Christian Program of Child Care - a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

BAPTIST HOMES FOR THE AGING REPORT

(Gary Hunsucker)

Once again we are reminded of the goodness and mercy of the Lord to us as we look at the past year of life in our four Baptist Homes for the Aging. He has blessed us greatly since our last report to the Association.

During this time we have ministered to many deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through our share of the Cooperative Program. The large majority have benefited directly from these gifts.

Our offerings seem to be going higher. This is very good, and we are profoundly grateful. We must not forget that, even though there has been an increase in offering, costs have also increased.

While we are ministering to many people, we still have a long waiting list of people that need help. This ministry of love, in Christ's name, is dependent upon the concern, the prayers, the love, and the increased financial support of North Carolina Baptists. We believe that you will not disappoint the aging people who are looking to you urgently for help.

CHRISTIAN EDUCATION REPORT

(Homer Hunsucker)

As of October 1, 1967, there were enrolled in the North Carolina Baptist colleges 11,347 students. This represents approximately the same number enrolled last year. Limited facilities, both in housing and in instruction, have made it necessary to turn away many qualified students. Enrollments are as follows; Campbell, 2,267; Chowan, 1,234; Gardner-Webb, 1,262; Mars Hill, 1,371; Meredith, 930; Wake Forest University, 3,022; and Wingate, 1,561.

The Baptist colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout the Convention about the decline in the number of young people answering the call to full-time Christian service. The Christian colleges, through the Council, are currently seeking ways and means of cooperating more fully with local churches in an effort to reverse this trend.

The Baptist colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For the year 1968, $8,578,960 has been budgeted. Of this amount, Campbell College is to receive $258,634; Chowan, $154,870; Gardner-Webb, $147,127; Mars Hill, $233,014; Meredith, $223,014; Wake Forest, $379,432;Wingate, $162,614; and Council expense, $30,255.

The colleges are grateful for the unusual response this year in orders for Christian Education Day materials. It was necessary to have a second printing of some 30,000 pieces of material in order to fill all of the requests. In 1966, the Christian Education Day offering was $132,046, and we are in hopes that there will be an increase this year. We also hope that every church in our association will observe Christian Education Day next year and share in this special offering and pray for and support our colleges.

CHRISTIAN LITERATURE

(Eugene W. Land)

The power of the printed page has never been fully gauged. It is estimated that the American armed forces in Vietnam dropped over six BILLION pieces of literature last year on the enemy forces, urging them to stop fighting and surrender. The great power of print is seen in the fact that percentage of defectors increased over 1,000 per cent from any previous year.

If such a record can be established to entice men to give up their national heritage, shouldn't we Christians pay more attention to the tool that is employed to bring about such amazing results? The Bible is the greatest weapon we have in our fight against the enemies of God and yet only a few of the churches in our association give to organizations such as the American Bible Society who are trying to put the Bible into the hands of every person.

There are many individuals in our churches who are not informed about our Baptist work on the State, National and International levels. They need to be if we expect them to help support the worldwide missions program of our denomination.

The simplest and most economical way to get the needed information into the homes of these members is through the BIBLICAL RECORDER. This can be done for as little as four cents a week per family. The BIBLICAL RECORDER helps to keep you informed about happenings in our Association, our State, our nation and the rest of the world. Nothing else can take the place of the BIBLICAL RECORDER in meeting this need. If you doubt this, try it in your church. You will be very pleasantly surprised.

MISSIONARY REPORT

(Philip M. Hutchinson)

It has been a unique and inspiring experience for me to visit most of the churches in our Association. I have found an atmosphere of warmth in all of our churches. I deeply appreciate the kindness and welcome that you have extended me. We have the potential for one of the best associations in our state. We need a fellowship that would be vital, informative, and inspiring to all our people and churches. In order to have such a progressive association we must have more concern and cooperation on the part of our people. Our people seem to have a limited concern or vision in that their interest expresses itself only in the local church. Let's resolve to put our shoulder to the wheel and with our Lord's help to make our Association what we all desire it to be. There are some things that each of us can do make our association better: pray for our associational leaders and workers, attend our associational meetings, give to support our Baptist witness for Christ, serve that we may render a greater ministry.

Let's support our Seminary Extension Center at Troy, and take the courses that will enrich our lives and make our Christian witness more effective.

Let's be a part of the Crusade of the Americas next year by praying and planning our revivals at this time.

We hope that every church in our association will join in our School of Missions September 20-25, 1970. This is the best way I know of to help our people have a greater vision of our world-wide mission.

Our associational workers and officers desire your prayers and suggestions to help us do a better work.

SUNDAY SCHOOL REPORT

(Bobby B. Parnell)

Three meetings of the Associational Sunday School were held during the year 1966-67. One was a conference meeting to help train officers. The second one was on the value of the Six Point Record system. The last one was on the Sunday School Visiting for Revival, Pack-A-Pew, and Unified Service. The attendance was good for these meetings.

TRAINING UNION REPORT

(Homer Hunsucker)

The Training Union of Montgomery Baptist Association got things under way in December with its annual "M" Night service with over 200 in attendance. The program for the coming year was presented and goals were set. Not all of these goals have been realized, but some things have been accomplished. A new Training Union was begun this year in the Bethel Baptist Church. Gary Hunsucker is pastor there.

In the coming year, we hope that many of our other churches will see the need of a training program for their members. The need has never been greater than it is right now for an informed and trained leadership in our churches and the Training Union can help accomplish this.

Many churches are on the verge of closing their doors on Sunday nights--God forbid. The Training Union has made our Sunday night services what they are and will be a strong influence in keeping our church doors open on Sunday night. Every Baptist Church can and should be a lighthouse in its community, shining through, not only physical darkness, but spiritual darkness.

BROTHERHOOD REPORT

(J. B. Greene)

Brotherhood work in the association seems to be slightly on the upgrade for a change. There have been a couple of inquiries this year from churches about organizing a Brotherhood, and at least this indicates interest which is encouraging. There is a wide open mission field for each church, not only state and foreign, but on the local level. The Brotherhood must be a part of this work if it is to succeed. The programs for the meetings are centered on missions, and there is opportunity to not only study but become actively involved. Please contact me during the coming year, and I will be happy to assist you in any way I can.

ANNUITY BOARD REPORT

(James Williams)

The steady rise in the cost of living has caused a pressing need for larger benefits for retirement, disability, and death. With the emphasis placed on family protection, the Annuity Board has created a new program which is called the "Southern Baptist Protection Program", and it is offered to all state conventions who approve it. The starting date for this new program was July, 1967, and the substantial increases in benefits for all occasions are offered at no extra cost to those who participate. Greater benefits are offered in retirement and widows benefits.

Three new benefits are offered for the first time. These benefits will provide income for minor dependent children, plus a college and educational fund, and income for dependent parents. This new program will simplify participation by all who wish to have a part in the Annuity Department.

All Southern Baptist churches are encouraged to participate to protect their pastor and his family, and they are urged to examine these plans and participate in each plan as fully as possible for its minister and church staff.

Nine of the State Baptist Agencies and Colleges are actively participating in the Annuity Board's Protection Plan, and they should be an inspiration to any church to find the value derived from the protection received for all who are involved.

Information can be obtained from Reverend Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, who is the State Baptist Convention's Annuity Board Representative.

EVANGELISM REPORT

(Jim L. Lowery)

The churches in the Montgomery Association have reported 98 baptisms and 75 additions by letter. This represents a ratio of one baptism for every 43 members. Even though this reveals an increase over the past year, the ratio is still too great. We need to be more fervent in evangelism. Evangelism is the heart of our churches' existence. If we are to win the sinner, we must publicly proclaim the Gospel of Christ, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-1969 and 1970. Our churches have

been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION WIDE EMPHASIS ON PRAYER: January 14, 1968 and January 12, 1969: two days of prayer for the crusade. A program of prayer partners with churches, individuals, and groups initiated in July-August 1968: Watch Night Prayer Service December 31, 1968.
NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August 1968.
NATION-WIDE VISITATION WITNESSING: September-November, 1968.
NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: April 6-20.
NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade. Study the book "Darling Descipleship," and launch new member orientation.
SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970.

Let's all take advantage of these opportunities to strengthen our churches and our own spiritual lives. May God richly bless each church as we labor together in His Name in the years ahead.

WOMAN'S MISSIONARY UNION REPORT

(Mrs. H. J. Scarborough)

Woman's Missionary Union is made up of the Woman's Missionary Society, Young Woman's Auxiliary, Girls' Auxiliary, and Sunbeam Band. The Union seeks to promote Christian Missions through Mission study, Prayer, Mission Action, and Stewardship.

Through Mission study, the W. M. U. seeks to be aware of the many needs and accomplishments at home and abroad. In September, we had a Leadership Conference at the First Baptist Church in Mount Gilead. This meeting was closed with a very inspiring Prayer Retreat led by our Prayer Director, Mrs. J. M. Dismukes.

Through Mission Action, women of W. M. S. along with her foster organizations seek to follow Jesus' example of going about doing good by ministering both to the physical and spiritual needs of people.

The stewardship of time, money, and personality is stressed from the youngest children through the women of W. M. S.

The annual meeting of Montgomery Associational W. M. U. was held at Stoney Fork Baptist Church in April. Rev. Sam James, N. C. missionary on furlough from Vietnam, told us of his experiences on the mission field.

In our Association, there are 16 Women's Missionary Societies. We would like to urge women and pastors of churches not having a W. M. S. to study the purpose and plan of W. M. U. and then make your decision about the value of these organizations. If we are truly missionary Baptist, we cannot disagree with the basic aims of Woman's Missionary Union.

Through the Youth organizations, many young people are learning how to become Christians and are growing in Christian knowledge and mission education. For YWA's there was a banquet during Focus Week in February at the First Baptist Church in Mount Gilead. The Sunbeams enjoyed a Day Camp at the park in Mount Gilead during Focus Week in August.

It is the desire of the Montgomery Woman's Missionary Union to help more societies and youth organizations come into being during 1967-68.

BAPTIST FOUNDATION REPORT

(William H. Puckett, Jr.)

The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina created for the purpose of procuring endowment funds and for administering such funds for all institutions and agencies, owned and controlled by the Convention. The Foundation is independent of the causes it serves but committed to their best interests. It is managed by a board of fifteen directors, elected by and accountable to the Baptist State Convention.

The Baptist Foundation serves in three primary areas. It serves individuals in estate planning and in preparing wills and living trusts. It serves churches by managing trust funds and by providing speakers for various occasions. The Foundation also serves Baptist institutions and agencies through assisting people interested in providing endowments for the institutions and agencies, by safe-guarding and administering all types of trust funds, and by distributing trust funds according to the designation of donors.

COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad -- it's preaching the gospel -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go...preach..... teach....!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

We recommend:
(1) That each church plan, vigorously promote, and subscribe a worthy budget.
(2) That each church have a special prayer for Cooperative Program causes during each church service in October.
(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

BAPTIST CHILDREN'S HOMES

(Frank Dennis)

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Cooperative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever -- now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969.

Four family style cottages have been constructed and dedicated during the past year -- two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Home are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

BAPTIST HOSPITAL REPORT

(W. M. Helms)

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it.

REPORT OF THE BIBLICAL RECORDER

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems,but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the RECORDER to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the RECORDER nearly $5,000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The RECORDER staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective.

BAPTIST HOMES FOR THE AGING REPORT

(Gary Hunsucker)

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22½% of total income. (2) The Cooperative Program from which we receive 12½% of total income. Un-

less these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

Life among the residents in the Homes,is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

ANNUITY BOARD REPORT

(George Gouge)

The Annuity Board of the Southern Baptist Convention is an agency through which each church can participate and thereby offer protection to each of its salaried employees. Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten percent dues on total salary, recommended as a minimum by the Annuity Board and State Convention secretaries.

In the Montgomery Association only twelve of the twenty-nine churches offer protection to their pastor through Retirement Program participation. In doing so, these churches who do not participate are saying, "Really, we don't care what happens to our pastor when he becomes disabled." We do not make this statement outward, but with our actions, this is what it amounts to. Any church, regardless of size, can help their pastor out in this way.

In addition to the protection program there are other benefits offered through our Annuity Board, such as life insurance, hospitalization, etc.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and the North Carolina Baptist Convention. For information about any of the plans in the Protection Program, contact Rev. Guy Cain, 310 Hillsboro Street, Raleigh, North Carolina, or write the Annuity Board, S. B. C. 511 North Akard Building, Dallas, Texas 75201.

CHRISTIAN HIGHER EDUCATION

(Marion Parker)

The Christian college campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. We Baptists believe that we have a mandate from God to reestablish a sense of Christian values in American life.

The Council on Christian Higher Education is a service organization and a coordinating agency for our seven Baptist colleges in North Carolina. It also cooperates with churches, pastors' conferences, and associational leaders in furnishing speakers on Christian Higher Education. By popular demand it will again schedule forums on each campus to which pastors and other church leaders will be invited.

Encouraging is the increased interest in Baptist College Day in the churches. This is to inform our people about the purpose and program of Christian Higher Education and to

provide an opportunity through the Baptist College Day offering to give much-needed help to our schools. Teams of college young people are available to your church to give their testimony of what going to a Christian college means to them. One pastor said, "The two young people who came to our church have changed the whole attitude of our congregation towards the Baptist colleges and the Cooperative Program."

More than 12,000 young people are getting an education with the plus of the Christian emphasis in our seven Baptist colleges in North Carolina.

BAPTIST FOUNDATION REPORT

During the past year, the North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agnecy or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphasis has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

MISSIONARY REPORT

(P. M. Hutchinson)

I am grateful for the warm welcome all of our Churches continue to extend to me as I visit. The great need of our Association is more concern and cooperation of our people and Churches. Some of our Churches do not support our work financially, others do not support it in any visible manner. We rejoice that some of our Churches have secured Baptist Pastors, and their progress is indicated by their increased vision and cooperation.
support it with their presence, and some do not support it in any visible manner. We rejoice that some of our Churches have secured Baptist Pastors, and their progress is indicated by their increased vision and cooperation.

Our quarterly meetings did not work as well last year as we had hoped. We request your cooperation that they may be more meaningful this year. We have excellent courses planned for our Seminary Extension work this year, and we hope that our people will take advantage of these studies. New Testament will be taught by Rev. Marion Parker, Comparative Religions by Rev. Jim Lowery, and Music by Mr. Preston Capps.

We hope that every Church in our Association will participate in the Crusade of the Americas April 6 - 20, 1969 and our School of Missions September 20 - 25, 1970.

WOMAN'S MISSIONARY UNION REPORT

(Mrs. H. J. Scarborough)

Woman's Missionary Union will have a new look beginning October, 1968. New ideas of organization are suggested in the belief that they will help church Woman's Missionary Unions become more effective in the performance of their tasks. New materials are avail-

able to interpret the plans. The emphasis in the new look is simplicity and flexibility. The plans are designed to apply equally to a small church or a large church.

The new organization plan calls for fewer officers in all age-level organizations and no standing committees in WMS. The work to be done by WMU organizations has been analyzed, grouped into related areas, and assigned to officers to be carried out. The required number of officers has been reduced to a minimum.

It will strengthen the relationship of WMU to the other parts of the church program and will lead WMU to place greater emphasis on the role of members in the organization. The work in WMU is done by members. Leaders fulfull the leadership functions necessary to engage members in the work of the organization.

Pray for us and with us that we may fulfill our mission in this new plan of work.

ROYAL AMBASSADOR REPORT

(Joe King)

Jesus said, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even to the end of the world." (Matt. 28:19-20)

The Apostle Paul said, "Now then we are AMBASSADORS for Christ, as though God did beseech you by us: we pray you in Christ stead, be ye reconciled to God." (2 Cor. 5:20)

The Royal Ambassador Program is designed to make Christian men out of the boys of this county and every other county and country. They become Ambassadors for the King; and missionaries to their neighbors, friends, and even in foreign lands.

This year the Star Baptist Church organized a Royal Ambassador work. Blackwood Chapel and Candor Churches are in the process of organizing new RA work.

The Association has purchased the needed material to help you with your RA work. Please let your Associational RA Leader help you start a work for boys in your church. This is one of the greatest Mission Fields in the world. Jesus said, "...Lift your eyes, and look on the fields (BOYS), for they are white already to harvest." (Jn. 4:35)

TRAINING UNION REPORT

(Homer Hunsucker)

"Go ye therefore and teach all nations....teaching them to observe all things whatsoever I have commanded you." Thus we have the command of our Lord to go and make disciples of all nations. After we have won them to Christ, our huge task has only begun. We must train them to be good soldiers of the Kingdom. This is one of the main functions of the Training Union.

The Training Union is the training program of our churches for all people. We are commanded to grow in grace and knowledge and through the Training Union we are helped to realize this growth and to become more mature Christians. We sincerely hope that more of our churches will see the need for a training program for their membership. The preaching of the Word, which is central, should be accompanied by a sound teaching and training program if we are to do our best for Christ.

Many new things are in store in the months ahead in our Training Union work. Even a name change is coming up in the near future.

Let's pray, work and train ourselves that we may do a better work for Christ in the days ahead.

MISSIONS COMMITTEE REPORT

The Missions Committee is pleased with the progress of our Missions Program in its first year of existence. Our Missionary, Rev. Phil Hutchinson, has made notable advances in working with our local churches and State Convention. Programs have been organized to benefit both the pastors and the churches. We encourage every church in the Association to take advantage of these opportunities and to consult with our Missionary in any way that he can help in strengthening your church program and our associational work.

We also encourage every church to share in the responsibility of our Missions work. Associational Missions Offerings have been received from only 16 of our 29 churches. The cooperation of ALL our churches is necessary for a successful missions program. We cannot afford to be delinquent in our financial support when our Baptist State Convention has supported us so faithfully, and our opportunities are so great. We have the continuing support of the Convention behind us, and we pray that this will be the ambition of each of our 29 churches. And with this realized, we can see greater advances made in our churches and in the Kingdom of God.

REPORT OF EXECUTIVE COMMITTEE ACTIONS DURING YEAR

REPORT OF RESOLUTIONS COMMITTEE

(Mrs. Marion Parker)

Whereas, many people have served in preparation and participating in helping this association to be on a high spiritual plane; and

Whereas, The First Baptist Church, Biscoe and Stoney Fork Baptist Church (and the churches of the Mount Gilead Group) have so graciously entertained the association; and

Whereas, the home going of Rev. A. B. Cranford, who through the years served in churches in our association, has left us a deep sense of bereavement; therefore

Resolved, we express our deep appreciation to those preparing for, and participating in the program; and to the churches entertaining us. And,

Resolved, that we include a picture of the Rev. A. B. Cranford in the next Annual Minutes with a suitable memorial statement.

COOPERATIVE PROGRAM REPORT

(Marion Parker)

The best method Baptists have found for sharing in all that is included in the Great Commission of our Lord is what we call the Cooperative Program. It is simply a channel through which each person and each church can share in all that our Baptist people are doing at home and around the world.

This is how it works. Our people bring their tithes and offerings to church Sunday after Sunday in obedience to God's commands in the Bible. The church, in turn, in obedience to God's commands in the Bible gives at least a tithe of its income to carry on God's work throughout the world.

It is believed that the best way to share in all God is doing through His Baptist people is for each church to give it through the Cooperative Program method. In this way, each person through his church, and each church sharing together with thousands of other Baptist churches, can do together what no one person or church can do alone. To give to only a selected few of the objects Baptists support is like a father selecting only a few of his family to share in the family food. God's people who follow the Bible are too sensible to carry on God's work in such an unfair way. Let's prayerfully urge our people to prayerfully share through the tithes and offerings through the Cooperative Program of supporting the entire program of God.

BAPTIST CHILDREN'S HOMES

(Frank Dennis)

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

The contribution of our Baptist people through the Cooperative program, the Thanksgiving Offering, and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

BAPTIST HOSPITAL REPORT

(W. P. Lippard)

Our Baptist Hospital has had another fine year and has done a great job in ministering to the sick.

The School of Nursing has just registered the largest class ever admitted to the school.

The Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital must have advanced payments, or have the information to get help from the Social Service or Health Agencies. These agencies pay part of the cost and the Mother's Day Offerings pay the balance. Of course the free care must be limited in keeping with the funds provided for this purpose, because the hospital cannot continue to go deeper in debt.

The Trustees and Administration of the hospital are most grateful for the fine cooperation. The Mother's Day Offerings were slightly above last year's offerings. It is our hope and prayer that you will keep the Mother's Day Offerings as great as possible.

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Matthew 25:40.

BAPTIST LITERATURE

(John B. Long)

Perhaps there was a day when it was possible to cover the subject of Baptist Literature within a reasonable length of time, but not so now. The field has become so wide and all inclusive that it is simply an impossibility to make a half-way satisfactory report on the subject. But what better report could we make than to report it is too much to report? However, the volume and circulation of Baptist Literature is not an end in itself, but a means to an end. The proper use of that literature is the end, and better informed Christians the product.

Baptist Literature includes periodicals, tracts, promotional materials, teaching aids, and books. All the literature that is used in most Baptist churches for Sunday School, Training Union, and other organizations is published by the Baptist Sunday School Board of the Southern Baptist Convention, Nashville, Tennessee. The literature is written by Baptists who are well prepared for this service. It is our earnest prayer that every possible precaution be taken constantly to keep this literature true to the inspired Word of God. The Foreign Mission Board, Home Mission Board, Brotherhood Commission, Woman's Missionary Union, and other Baptist agencies also produce and publish literature and periodicals.

In our own State of North Carolina, we have one of the best of all Christian literature publications, THE BIBLICAL RECORDER. It is doctrinally sound, beautifully bound, and completely informative. Its design is to promote the items of the Baptist State Convention, which are missions, education, and the distribution of sound Christian literature. It informs, indoctrinates, enlists, inspires, and unifies our Baptist people for the Lord's work.

BAPTIST HOMES FOR THE AGING REPORT

(Gary Hunsucker)

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. When the new Yanceyville Home is filled to capacity, the number living in all our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but it has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the third Sunday of February, from which the Homes derive 22½% of total income; (2) The Cooperative Program from which we receive 12½ % of total income. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

REPORT OF THE ANNUITY BOARD

(J. C. Hough)

The Annuity Board of the Southern Baptist Convention has been operating for 50 years. The Convention in Hot Springs, Arkansas, in 1918, approved the organization.

The financial aspects of the Board are sound. A gift of a million dollars some 20 years ago put it in good stead. All liabilities of the pooled plans, including the old annuity fund, completely funded the annuities of all the plans, which funding had never been accomplished until 1969.

The $188,000,000 belongs to more than 6,000 retired persons, and to many thousands who send in their dues monthly, looking to retirement benefits. This new individual and consolidated plan may be properly referred to as a "House of Security" among Southern Baptists.

Only 12 out of 29 churches in Montgomery Association participate in these plans, according to the report in 1968. Every pastor should ask, without hesitation, that his church enter this protective plan. It offers more for what is required than any insurance policy that I am familiar with.

It is reasonable to think that almost any church will participate if the plan is properly presented. Rev. Guy Cain, who is secretary of the Annuity Plan for our state, will be happy to assist any church or pastor in getting this started. His address is 310 Hillsboro Street, Raleigh, N. C.

CHRISTIAN HIGHER EDUCATION REPORT

(Marion Parker)

Baptists have long believed in Christian higher education. Welsh Baptists had a college as early as 597. Here in North Carolina, our Baptist people have a Bible Institute, six colleges, and a university. We have more than 12,000 students in these schools. Many of them are preparing for full time church related service. Others will in our schools receive a decided plus factor which will aid them in making their chosen vocation in the secular world an avenue of dedicated Christian service.

Baptists have a great opportunity through Christian higher education to help our nation's people regain a Biblical sense of values with more emphasis on how to live than on how to make a living. Our Baptist schools have a decided opportunity to give a Christian emphasis to all learning which our state supported schools do not and cannot give.

Baptist also have a great responsibility. We believe in academic freedom which includes freedom to pursue truth wherever it may be found. We believe that God is the author of all truth, whether it be the revealed truth of the Bible or the discovered truth of the classroom. Therefore, there can be no real conflict between the two when all the facts are in. We believe that we are all, whether contributor, pupil, or professor, under solemn obligation to honestly seek all the facts of both revealed truth and discovered truth. We believe that God stands ready always to give guidance in this process and that we are solemnly obligated to seek such guidance. We further believe that we are obligated to support this kind of higher education with our prayers, our understanding, and our money.

REPORT OF SUPERINTENDENT OF MISSIONS

(P. M. Hutchinson)

The work of our churches in our Association is not what it could be, but I think we are making progress. Almost all of our churches are giving attention to making their buildings more comfortable and attractive. We need to give more effort to our part in our total

world-wide ministry that our denomination is rendering. We are very thankful for some of our fine pastors that are willing to render time and service that makes our Associational work possible. We need the cooperation of more of our pastors and churches in order to have a better Association.

We have two programs planned that could be very beneficial to our work if our people will take advantage of them — our Seminary Extension Classes and our School of Missions. The Seminary Extension Classes are held at First Church of Troy, 7:00 - 9:00 p.m. each Tuesday. The School of Missions will be September 20 - 25, 1970. I need to know how many churches are participating immediately so that I may let the Home and Foreign Mission Boards know how many Missionaries we will need. Each church that cooperates is asked to take care of a Missionary for the week and give $60.00 to take care of travel expense of the Missionaries to and from the Association.

I have driven about 8,000 miles in the work of the Association this year and have visited all of our churches. I am grateful for the very cordial welcome that I have received from every church in the Association. In order to have a better Association, the Association needs your financial support, and your workers need your prayers, cooperation, and participation.

EVANGELISM REPORT

(Jim L. Lowery)

The churches in the Montgomery Association have reported 101 additions by baptism and 99 additions by letter. This report is based on 21 of the 29 churches reporting. We have a decrease of 13 in baptisms and the number by letter remains the same. This should reveal to every Christian and church the TASK we have in Evangelism. Perhaps that intended visit or witness could have made a positive difference in the above report.

The Crusade of the Americas was observed by most of our churches and, despite the above figures, was quite successful. We feel that most of our church families were spiritually blessed by the infilling of the Holy Spirit during these revivals. Let us continue to pray and seek God's Will so that this Spirit of God will direct us to evangelize our homes, communities, and world for Christ. The way to do this is to put feet to our good intentions and prayers. May God bless each one as we endeavor to do His Will.

MISSIONS COMMITTEE REPORT

The Missions Committee of the Montgomery Baptist Association submits the following report with the anticipation that each church will consider these recommendations with prayerful support.

The Missions Committee has spent a great deal of time in prayer and in consideration of means whereby we will consumate a stronger, more effective Missions program in our Association. It is the ambition of the Missions Committee that each church will cooperate in the missions work and will share in all its endeavors. We hope to be able to assume a greater share of the financial support and eventually enter into a full time missions program.

We feel that if each church could realize the benefits of such a program, the support of such would be a reality, with no hardship placed on any one church. We are encouraged by the increased participation in the Missions Program by some of our churches over the past year. God has blessed us in this work and we thank Him for all the progress made thus far.

We continue to encourage each church in the Association to take advantage of the many opportunities that have been planned to help strengthen both the pastors and the churches. Continue to pray for our Superintendent of Missions, Rev. Hutchinson, and our mission work. Mr. Hutchinson encourages each church to consult him in any way in which he can help you. Let us go forward together in all of God's Work as we face the new year. Let our motto be: "We can do together what we cannot accomplish alone."

SUNDAY SCHOOL REPORT

(Bobby Parnell)

The Bible says to go and teach all nations. The Sunday Schools of our churches have been assigned the task of teaching the Bible.

We had one Associational meeting this year. It was a conference type meeting. Vacation Bible Schools were very well attended.

With increased emphasis upon outreach, each Sunday School is urged to attend the Seminary Extension courses offered. Also, you are urged to observe January Bible Study week. When our Sunday Schools begin moving forward, our churches will move forward for God.

TRAINING UNION REPORT

The training organization of the church exists, not to provide platforms for exhibiting the skills of church leaders, but so that all may be trained in the work of our Lord. It is through Training Union that we can help meet the need for an informed and trained leadership in our churches.

The attendance was good at Training Union "M" night in December, and everyone especially enjoyed the well-planned program. The Training Union Director, Mr. Yates Wilkinson, resigned a few months ago to enter the Seminary in preparation for the ministry.

Let us strive to move forward in our Training Program this year. The truths of Christianity are not restricted to a small circle of learned men, scholars, and theologians, but the doors of these truths are open to all who follow Jesus.

ROYAL AMBASSADOR REPORT

(Joe King)

Your Associational R. A. Leader spent a week at Camp Car-Away for the boys this summer. It is my wish that every church in the Association would use this fine camp each year. We had between seventy and seventy-five decisions for Christ, some to be missionaries, others to serve in local situations, while others were saved. The camp director informed me that there had been from twenty to forty some such decisions each week for the past seven weeks, and the camp was to be open for two more weeks at that time. This is a BAPTIST camp owned and operated by the Brotherhood department of the North Carolina Baptist State Convention. This is your camp. Please plan to use it next year.

Our Associational Royal Ambassador work has been rather slow this year. Only one church reported progress in R. A. work other than our own church. The Mt. Gilead First

reported a reviving of their R. A. work since their new pastor has arrived on the field.

The boys of today will be the leaders of tomorrow. A boy who has had good R. A. training will be the better leader tomorrow. Will you see to it that the boys of your church have a good R. A. chapter?

BROTHERHOOD REPORT

(J. B. Greene)

The work of the Brotherhood has done very well this year. The new organizations that were formed last year have been doing well, and it is hoped that more new units will be formed this year. Please feel free to call on me if you need any help in organizing or planning. I would like to urge all units to strongly emphasize the mission theme during the coming year. Missions can be the making of your organization. There are so many areas that can be explored that have been left untouched. Being missionary is service, and this can apply to any church.

Regrettably, this will be my last term as President. I have enjoyed working with you and look forward to a banner year.

WOMAN'S MISSIONARY UNION REPORT

(Mrs. Marion Parker)

Each generation of Christians makes its response to the missions imperative. Jesus gave a commission to His followers. They are "to disciple" the nations. From the time He spoke the mandate, men, women and youth have been caught up in the mighty movement of world missions. At times the cause of Christ has suffered losses because Christians failed to seize their opportunities. In other eras, the cause has moved forward with gigantic strides because persons accepted and fulfilled their roles in God's world plan.

Woman's Missionary Union leaders and members work in the context of a church to help a church fulfill its mission. The WMU has four primary tasks that are important in helping the church move toward its objective: (1) Teach missions; (2) Lead persons to participate in missions; (3) Provide organization and leadership for special missions projects of the church; and (4) Provide and interpret information regarding the work of the church and the denomination.

The denominational emphasis for 1969-70 is "Living the Spirit of Christ in Belief and Relevance." The Watchwork is "Our love should not be just words and talk: it must be love, which shows itself in action" (I John 3:18). The hymn for the year is "Seal Us, O Holy Spirit."

During the past year there have been changes in the organizational set-up of the WMU. Next year there will be changes made in the youth organizations. We hope each WMU in Montgomery Association will adjust to the changes and can accomplish great things in the future.

COOPERATIVE PROGRAM REPORT
(Marion Parker)

Hundreds of churches of every size increased giving through the Cooperative Program last year. This will enable all to have a greater part in healing the sick, feeding the hungry, clothing the naked, visiting the imprisoned and preaching the gospel to the poor.

Helping churches advance in stewardship and missions is one of the basic aims of all your workers (Cooperative Program Chairman, Superintendent of Missions, General Board Member, Moderator, and the Division of Stewardship Promotion of our Baptist State Convention). Do you need help in your church? Annuity for your pastor? Insurance? A tried and tested program for increasing giving for our Lord's work? A program for involving youth in Christian stewardship? Family Finances and Stewardship? Visual Aids? Leaflets and other information on the Cooperative Program, State Missions, and Family and Church Finance? Better Record Keeping in your church? These workers will be glad to help you. Just let them know.

The Cooperative Program is the main channel through which we can all share in all our Baptist people are doing in World Missions, Christian Education, Social Services, and the ever increasing State Missions program. Our goal this year is seven million dollars. No one church can give that much, but each of us cooperating together can, under the leadership of the Holy Spirit, do it. Will you as a dedicated Christian steward help lead your church to use a tried and tested stewardship program to plan, promote and raise a higher budget in your own church and to increase the percentage of the offering plate dollar going through the Cooperative Program to get the gospel out to a lost world?

BAPTIST CHILDREN'S HOMES REPORT
(Raymond Johnson)

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on seven campuses and through the work of regional casework centers throughout the state.

Broyhill Home at Waynesville and the Maternity Home at Asheville are scheduled to open within the next few months extending our ministry into Western North Carolina. In the East, Odum Home at Pembroke continues its vital ministry and Kennedy Home at Kinston is entering its intensive development program. Our ministry in Piedmont North Carolina focuses in Mills Home at Thomasville, Greer Home at Chapel Hill, and Wall Home at Wallburg.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. They covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

BAPTIST HOSPITAL REPORT
(W. P. Lippard)

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of ths amount-$237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year 24 churches in our association contributed $2,248.16 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose. This exceeds the 1969 offering by $317.54.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

BAPTIST LITERATURE
(Jack R. Burnette)

Baptist Literature is a very important phase of the work of Baptists. The objectives of the Program of Church Literature Publishing are set out clearly by the Sunday School Board of the Southern Baptist Convention. Materials are made available to help the churches carry forward a balanced program of Bible teaching and Christian training. Study and reading materials are edited, produced and distributed with the purpose of helping persons become aware of God as revealed in Jesus Christ, respond to Him in a personal commitment of faith, strive to follow Him in the full meaning of Christian discipleship, live in conscious recognition of the guidance and power of the Holy Spirit and grow toward the goal of Christian maturity.

Recently, the editorial secretary of the Sunday School Board urged all editorial workers to reexamine manuscripts and proofs of materials they are producing. At the Southern Baptist Convention meeting in Denver the Sunday School Board was instructed to recall volume one of the BROADMAN COMMENTARY to be rewritten.

New products are being produced consistently by the Sunday School Board. A new plan is now in use in which all church literature items are arranged in seven series. These are: Convention Uniform Series, Life and Work Series, Forefront Series, Foundation Series, Support Series, Program Help Series and Campus Ministry Series.

More than ever before, North Carolina Baptists need a dependable source of information. For 137 years the BIBLICAL RECORDER has been such. In the past year, the RECORDER had a definite part in the election of a North Carolinian, Dr. Carl Bates of Charlotte, as president of the Southern Baptist Convention. In the future, the RECORDER promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state.

Our churches need Baptist Literature in order to carry out the mission that is ours. We, as North Carolina Baptists, need the BIBLICAL RECORDER to keep us informed. We must pray for the leaders of our convention that they be led of God to continue to provide the best possible literature that can be produced.

BAPTIST HOMES FOR THE AGING REPORT
(Winfrid Allison)

"The hoary head is a crown of glory, if it be found in the way of righteousness." Prov. 16:31. A chief difference between a society influenced by Christianity and paganism is the treatment of the elderly. Baptists seek to express God's love and

care for the elderly in a tangible way through out five homes, ministering to 195 residents.

Our Homes had to make a special appeal for funds this past year due to the rising cost of living. The plea was heard, and Baptists across the state contributed $168,349.34, exceeding all other offerings in previous years. However, we must remind ourselves often that the financial needs of our Homes are constant, and not just occasional; and therefore year by year there is opportunity for us to give and to pray for the ministry that our Homes provide.

What if you were one of the 195 residents of the Baptist Homes for the Aging; as someday you just might be? You would appreciate a visit; you would thank God for the measure of security provided in your old age; you would be grateful for the loving care of those attending to your physical and spiritual needs. It is a very practical way, then, for us to practice the Golden Rule, "Do unto others as you would have them do unto you." For all that God has been able to accomplish through you, we thank you, and give God the glory.

ANNUITY BOARD REPORT
(Harvey Beeler)

"Good experience credit" is a new term in Protection Program vocabulary. It means larger benefits for active and retired members as of January 1, 1970. The "good experience credit" will be extra, added to the Plans A 10 and A 11 and for 1970 this will amount to about 2% of the retirement credits accrued as of that date. Most retired members are finding the "good experience credit" in their 1970 monthly checks. In addition, these members received the "13th Check" in February which amounted to 13% of the annual benefits.

Since its beginning in 1918, the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children. For 1969 there were as active members:

Plan A of Protection Program	24,256	New Benefit Recipients	1,059
Plan B of Protection Program	9,756	Retirement	643
Plan C of Protection Program	3,358	Disability	51
Health Benefit Plan	14,871	Widow	139
New Group Insurance (Churches)	1,130	Child	105
Life Benefit Plan	9,336	Education	100
		Variable	21
Churches billed in Plan A	18,081	Total benefits paid	$7,273,851

A minister, church or denominational employee can create a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health and life insurance plans. Do you as a church care enough for your pastor's needs for his family's security to share in those needs now by placing him in these plans which are needed? As of June 30, 1970, the Montgomery Association and 14 churches are participating in the Protection Program. This is a corporate effort on the part of the churches, the State Convention, and the Southern Baptist Convention. Information may be obtained from Mr. Guy Cain at the Baptist Building in Raleigh, North Carolina or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATION REPORT
(Gary Hunsucker)

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate. In order to increase the assets the Foundation has again this year put a major interest on the making of wills. Through the use of Will Clincis held in many churches the Foundation has an opportunity to counsel with many people concerning their wills. The Baptist Foundation has had a most successful year in rendering service to individual Baptists in a concrete way.

The Foundation advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions.

CHRISTIAN HIGHER EDUCATION
(James Williams)

The Christian college campus is emerging once again as a great moral and ethical force in our American culture. Our church related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. As Baptists, we believe that we have a mandate from God to reestablish a sense of Christian value in the American way of life.

The Council on Christian Higher Education is a service organization and coordinating agency for our seven Baptist Colleges in North Carolina. It also cooperates with churches, pastor's conferences, and associational leaders in furnishing speakers on Christian Higher Education. Upon invitation, it will schedule forums on each campus to which pastors and other church leaders will be invited. Wingate Junior College also provides free tuition to any minister and his wife who are pastoring a full time Baptist Church.

Encouraging is the increased interest in Baptist College Day in the churches, and this day is very frequently ignored by our Baptist churches. The purpose of Baptist College Day is to inform our people about the purpose and program of Christian Higher Education and to provide an opportunity through the Baptist College Day offering to give much needed help to our schools. Teams of young college people are available to our churches to give their testimony of what going to a Christian college means to them. Many of our churches have taken advantage of this great opportunity.

More than 12,000 young people, and the number is increasing each year, are getting an education with the Christian emphasis in our seven Baptist Colleges in North Carolina.

REPORT OF SUPERINTENDENT OF MISSIONS
(P. M. Hutchinson)

I am grateful for the very warm welcome that every church has extended to me as I visit the churches. We need to cultivate a greater spirit of concern and fellowship among the churches in our Association, that we may render a greater ministry for our Lord.

Many of our people have a greater appreciation for the world-wide ministry of our denomination as a result of our World Missions Conference in September. Fifteen of our churches participated in our conference. We are grateful for the

missionaries that came to help us, as it is rare that we have the opportunity of hearing people of their caliber. We hope that this conference will help our people to have a more intelligent view of The Great Commission.

We need to give prayerful consideration to our Associational work. We need more cooperation from our people and church leaders to make it worthwhile. What do we need or desire in our program? If it is worthwhile, we need to support it. Our primary purpose is to help our churches to render a greater ministry to our Lord.

WOMAN'S MISSIONARY UNION REPORT
(Mrs. Marion Parker)

Woman's Missionary Union today is entrusted with a vital role in world missions. Past successes inspire, but they cannot compensate for halfheartedness today. Past failures warn of pitfalls, but they cannot deter committed Christian women.

Leaders in WMU must accept their opportunities. No other generation of leaders will have the chance, for this is uniquely theirs. Our mission organizations work in the contest of a church to help a church fulfill its mission.

The denominational emphasis for 1970-71 is "Living the Spirit of Christ in Openess and Freedom." The Watchword is "If the Son therefore shall make you free, ye shall be free indeed" (John 8:36). The hymn for the year is "God of Grace and God of Glory."

In our Association we have organizations in 18 churches. The Dover WMU was begun this past year. Mrs. Marion Parker conducted a Leadership Conference in March to explain the various changes made in every phase of our work. In April, Miss Jolene Ivey spoke at our annual meeting emphasizing the youth work.

The youth groups sponsored by our Baptist Women are Acteens, Girls in Action, and Mission Friends.

Five of our associational leaders attended a conference at Mundo Vista in August.

MISSIONS COMMITTEE REPORT
(W. P. Lippard)

It is the ambition of the Missions Committee that each church will cooperate in the missions work and will share in all its endeavors. May God help you to see as we cooperate in finances and every other way, that we can have a better missions program.

We feel that if each church could realize what a full time program would mean they would cooperate and there would be no hardship placed on any one church. We are encouraged with the increased participation of some of the churches, and hope all the others will begin to participate more fully.

Rev. P. M. Hutchinson, our Superintendent of Missions, needs our continued prayers. There has been progress made and will be more accomplished as we support and pray for our Missions work. Rev. Hutchinson encourages each church to consult him in any way in which he can help you. Let's come together, work and pray together for our Missions Program. Much more can be accomplished together. The School of Missions was a great success and each church participating will be benefited by having these Missionaries in their church. May God's blessing be on our Missions Program and each of us as we go forward together in the work of our Master.

SUNDAY SCHOOL REPORT
(Jack Colwell)

Aiding churches in making the transition to a new Bible-teaching program was the major function of the Associational Sunday School for 1960-70. The Associational Director attended a "Shaping the 70's" Conference in Greensboro to be trained to introduce the new Sunday School curriculum and age grouping to the churches of the Association. The Director and three other persons also attended similar conferences in Charlotte and Greensboro to be trained to counsel with churches concerning the new Sunday School program.

In an associational meeting at Mount Gilead February 17, sixty-seven Sunday School leaders from 25 of the 27 churches in the Association attended a session in which the new Sunday School organization was discussed, and received literature helpful for making the transition. At other dates counseling sessions were scheduled to help church leaders understand the new Sunday School materials.

Vacation Bible School is also an important division of Associational Sunday School work. Under the direction of Mrs. Marion Parker, with the assistance of other workers who had trained in a State Bible School Conference at Wingate, an Associational clinic was held March 23 at First Baptist Church in Troy. New programs and materials were presented to over 100 persons who attended. Counseling and materials were provided at later times for churches that requested help in Vacation Bible School work.

Churches are urged to strengthen their Bible teaching efforts, and the following recommendations are made: (1) That churches seek to reverse the trend of declining Sunday Schools by offering improved, dynamic, relevant Bible teaching; (2) That new programs and materials be received as a challenge, and used to renew and revitalize Sunday School work; (3) That churches provide special opportunities for Bible teaching such as January Bible Study and Vacation Bible School; (4) That Bible teachers in the churches take advantage of training opportunities such as Seminary Extension and special clinics.

TRAINING PROGRAM REPORT
(George Gouge)

Last year we had twelve churches reporting a training program, with a grand total ongoing enrollment of four hundred ninety persons. Though this number may seem small, yet almost five hundred people trained and equipped to carry on the work of our Lord can really accomplish much.

During the past year one church, Dover Baptist, has organized a new training program. They have a good number enrolled and the people are very excited about the new work. Other churches have expressed a desire to begin a training program and we are looking forward to working with them in this new adventure.

The new training program materials are one of the greatest helps we have received in our church work in years. They are new, fresh, and relevant to the needs of our people. Materials for the younger people are geared directly to their level, with new visual aids, recordings, games, etc. to help them in their learning experience. We are looking forward to this being the greatest year we have known in our training program.

If I can be of any help to any church in their training program, whether it be organizing a new work or strengthening an existing program, please feel free to call me. By equipping ourselves we become a better servant of God.

BROTHERHOOD REPORT
(J. B. GREENE)

The Brotherhood Organization has made progress this past year. The men of the Brotherhood at Mt. Gilead assisted the men of Dover Church get started in their work as a new group. We would like to see more new groups formed in the coming year, and I am sure the new Director will be willing to help whenever and whereever he can.

ROYAL AMBASSADOR REPORT
(Jack Colwell)

R.A. work has lacked co-ordination on the associational level during a large part of the year, since Rev. Joe King, who served as Director, moved out of the association early in the year. Looking ahead, however, the prospects for strengthening R.A. work in the association are very good.

The new R.A. program is designed for all school-age boys from the first grade through the twelfth. New periodicals and manuals will enhance the R.A. aim of producing boys who are well-informed concerning our Christian world mission and are locally involved in mission action.

The new Associational R.A. Director attended a recent state clinic at Camp Caraway to study the improved R.A. program, and is ready to help churches that wish to organize R.A. work or to strengthen present organizations.

The following recommendations are made concerning R.A. work: (1) That churches seek to provide R.A. organizations for the training of mission-minded boys; (2) That Baptist Men cooperate fully in the sponsorship and support of R.A. work in the churches; (3) That churches seek to provide R.A. boys the opportunity to attend Camp Caraway and the other excellent opportunities provided on the state level.
